Second Announcement – Call for Papers

Dear Colleagues,

the first

Kaiserslautern Applied and Industrial Mathematics Days – KLAIM
with Focus on the Modeling, Simulation and Optimization of Digital Twins

will take place in Kaiserslautern, Germany, from October 11-13, 2021.

The purpose of this workshop is to provide a forum for applied mathematicians from academia, research labs and industry to exchange ideas and to showcase recent results. The focus of this first edition of KLAIM will be placed on the role of applied mathematics in the development of digital twins.

Hosted jointly by the Fraunhofer-Institute for Industrial Mathematics and the Department of Mathematics at the TU Kaiserslautern, the event is planned on-site. Provisions for a hybrid format will be made to bring together “roomies and zoomies” if the ongoing COVID-19 pandemic necessitates this.

Plenary speakers: Annalisa Buffa (EPF Lausanne), Olivier Brüls (Liège Université), Dimitris Bertsimas (MIT Boston), Dick den Hertog (Tilburg University), Mario Ohlberger (Universität Münster).

The program will be structured along the three tracks

1. Hybrid System Simulation - Classic Modeling and Control Meet Artificial Intelligence
   with track plenaries given by Martin Arnold (Martin-Luther-Universität Halle-Wittenberg), Matthias Gerdts (Universität BW München), Claudia Schillings (Universität Mannheim)

2. Multiscale Methods and Model Order Reduction
   with track plenaries given by Francisco Chinesta (ENSAM Institute of Technology Paris), Nicole Marheineke (Universität Trier)

3. Integration of Optimization and Data Science
   with track plenary given by Alexander Martin (Friedrich-Alexander-Universität Erlangen-Nürnberg)

Registration is now open. We invite prospective speakers to submit a one-page abstract to one of the above three tracks. A LaTeX template can be found at the homepage below, as well as the link for the submission procedure.

The conference fee is 250,- EUR.
Deadlines:
Submission of abstracts: July 30th, 2021 (strict deadline)
Notification of acceptance: August 20th, 2021
Registration and payment of conference fee: September 10th, 2021
